## The **GRAFFITI** FOR THE SOUL Series

From a collection amassed over many years, **The GRAFFITI FOR THE SOUL Series** is a wonderful assortment of some of the most unpredictable, freaky, ridiculous, outrageous, and inspirational graffiti that has appeared on building walls, subways, bridges, and public washrooms. The subject matters are as varied as the workplace, the sexual, the metaphysical, the literary, the political, the religious, and the educational.

**The GRAFFITI FOR THE SOUL Series** (there are seven e-books) by Ernie J. Zelinski is a fascinating look at other people's thoughts, a great collection of amusing, unique humor, and passionate opinion.

The seven volumes from **The GRAFFITI FOR THE SOUL Series** are available on the The Real Success Resource Center Website at: [www.Real-Success.ca](http://www.Real-Success.ca).

## **GRAFFITI** FOR THE COLLEGE STUDENT'S SOUL

**The E-Book That Was Written by College Students  
on Their Alma Mater Washroom Walls!**

**This e-book may be freely distributed.**

**Shockingly enough, this is a FREE e-book to be given away — anyway you want. Fair enough? Great! In fact, I would love it if you send out lots and lots of copies. It may not be sold nor modified in any way. You can have the movie rights, however, provided that you share half the profits with me and give me the starring role beside Nicole Kidman.**

**You may give **GRAFFITI** FOR THE COLLEGE STUDENTS SOUL to your friends and co-workers as a gift. You may also give it away on your website, offer it to other websites, include it as a free bonus, or include it in a package deal.**

# VOLUME #3

## GRAFFITI FOR THE COLLEGE STUDENT'S SOUL

**Graffiti is Italian for “scratchings.” Evidence of graffiti or scratchings goes back to early Roman and Greek times. Modern graffiti takes many forms and offers some interesting social insights, some of which are instantly clear.**

**This volume from *The GRAFFITI FOR THE SOUL Series* focuses on education. It includes graffiti from universities and colleges. My favorite university graffiti was something “created” several years ago when I was taking my engineering degree. I was on my way to the University**

**of Alberta one morning, driving by the Northern Institute of Technology. The day before, SEASONS GREETINGS had been constructed in big letters on the institute's roof. On this particular morning, GO ENGINEERS had been created from a portion of the letters, the remaining letters discarded. Although I was in the engineering department, I never did find out who was responsible for this prank. Nonetheless, I was impressed with the engineering student who had spotted that GO ENGINEERS could be created from SEASONS GREETINGS.**

**Graffiti in this volume was spotted at various colleges and universities. Some of the graffiti poke fun at the various faculties; some ridicule the educational institution's management and faculty; and some ridicule the graffiti writer.**

Who took the fizz out of physics?
