The **GRAFFITI** FOR THE SOUL Series

From a collection amassed over many years, **The GRAFFITI FOR THE SOUL Series** is a wonderful assortment of some of the most unpredictable, freaky, ridiculous, outrageous, and inspirational graffiti that has appeared on building walls, subways, bridges, and public washrooms. The subject matters are as varied as the workplace, the sexual, the metaphysical, the literary, the political, the religious, and the educational.

The GRAFFITI FOR THE SOUL Series (there are seven e-books) by Ernie J. Zelinski is a fascinating look at other people's thoughts, a great collection of amusing, unique humor, and passionate opinion.

The seven volumes from **The GRAFFITI FOR THE SOUL Series** are available on the The Real Success Resource Center Website at: www.Real-Success.ca.

GRAFFITI FOR THE MAN'S SOUL

The E-Book That Records the Interesting
Tid-Bits Men Write on Washroom Walls

This e-book may be freely distributed.

Shockingly enough, this is a FREE e-book to be given away — anyway you want. In fact, I would love it if you send out lots and lots of copies. It may not be sold nor modified in any way. You can have the movie rights, however, provided that you share half the profits with me and give me the starring role beside Nicole Kidman.

You may give **GRAFFITI FOR THE MAN'S SOUL** to your friends and co-workers as a gift. You may also give it away on your website, offer it to other websites, include it as a free bonus, or include it in a package deal.

VOLUME #5

GRAFFITI FOR THE MAN'S SOUL

This volume from **The GRAFFITI FOR THE SOUL Series** contains graffiti found in men's washrooms across North America. Graffiti in men's washrooms tends to be raunchier than graffiti in women's washrooms. Men also tend to write more insults. In keeping with the spirit of the book I have excluded graffiti of a racist or extremely vulgar nature although it appears in the real world. Some readers may still find some of the graffiti in this section. I have chosen to include these items since they are no more vulgar than what can be found in most high school washrooms.
